

# Bath time, splash time!!

Lauren Amy Fielding  
*Mum to Lois and Jude*

Turning on the hot tap,  
some cold gets added too.  
Arguing over bubble bath  
Who gets to pour, me or you?

Toes dip in and out,  
checking the temperature's right.  
"My hair doesn't need washing,  
Oh please Mum not tonight."

The splashing and squealing begins,  
and laughter fills the air.  
It'll soon be decision time,  
what pyjamas to wear?

Still time to play with the bath toys,  
as each rubber duck gets a wash.  
Water & bubbles everywhere,  
as my brother and I splish and splosh!

Uh-oh bath time comes to an end,  
little brother has pulled the plug!  
Mummy's ready with a towel  
to make us both feel snug.
