

Yo! ho! ho! and a bottle of fun!

Peter Richard Harris
Dad to Jacob, Jasmine and Olivia

Kick off your shoes; it's been a long day,
The time has arrived, for you to play
Amongst the waves, exploring the seven seas,
A brave adventurer, famous pirates are we.

Shed your fears, dive in with a splash,
Start your quest, who'll be first to the stash?
A race against time, to seek what you desire,
You prepare your ship, the Angel of Fire.

Raise the mainsail, crew at the ready,
Launch from the bay, hold tight, keep her steady,

She powers ahead, cutting through foam
Waves the size of buildings, the biggest I've known.

The great flag flutters, whistling high in the air,
The Angel stands proud, burning flames for her hair,
A snap of the cloth and her eyes flash awake,
To challenge the Angel would be a costly mistake.

Land ahoy; our luck knows no bounds,
For treasure we sought,
And treasure we have found.
